My Photography Journey

From the moment I held my first camera, I fell in love with capturing life's unique beauty. Growing up, I spent countless hours photographing flowers, creating whimsical photoshoots with my cousin, and discovering the magic that only photography can bring to everyday moments.

Today, I specialize in senior portraits, where I have the honor of capturing such a meaningful time in my clients' lives. Recently, I've also begun exploring wedding photography, a natural next step that allows me to celebrate and capture the joy of love and family. Whether I'm working with a graduating senior, a bride on her big day, or a family creating new memories, my goal is always the same: to make each person feel their absolute best.

Based in Midland, TX, I'm excited to work with clients both locally and beyond. I can't wait to create images that not only capture who you are but help you love who you see.

"Photography is an art of observation. It has little do with the things you see and everything to do with the way you see them."

-Elliot Erwitt

Important Information

Cancellation Policy

Life happens - I totally get it. All I ask is that you notify me at least one week in advance if you need to cancel. No-shows forfeit their deposit, but if it's an emergency, I promise to work with you. Just be kind, be respectful, and communicate.

Travel & Mileage

I'm a traveling photographer, baby! I charge the standard Texas cent-per-mile rate for anything outside of Midland/Odessa. I travel up to 5 hours one way and will include mileage on your final invoice after your deposit is made.

Please note, I am happy to discuss alternatives with you, especially for my wedding packages! I understand what I charge and gas might be too much. I am human and would love to talk about anything needed!

Turnaround Time

I pour a lot of love into my editing - removing flyaways, breakouts, distractions, and making sure every photo is polished.

- Senior & Lifestyle sessions: 2 weeks
- Weddings: 3-4 weeks

FAQ's

Can I bring guests? (Senior Specific)

If you are in high school, a parent or parents are more than welcome to join! However, aside from that, I ask for you to please refrain from brining anyone with you, unless they will be in the photos. I am here to help you with anything you may need during our session! Also know, if you are not comfortable being alone just shoot me a message and we can talk about anything we need to!

Can I bring props? (Senior Specific)

I want you to bring what you want to incorporate in your photos. Whether that's champagne (college seniors), a photo of a loved one who has passed, text books, letterman jacket, etc.

Can I bring props (Wedding Specific)

Similar to my seniors, please bring any memorabilia that you'd like in your photos. Detail shots are some of the best for weddings!

Why don't you include mileage in your session price?

For anyone within the Midland/Odessa area, it is included! But for my beautiful clients outside of the Permian Basin, I charge for mileage. This is because, on top of the time dedicated to capturing your moments, I do have to dedicate time to getting to you. Again, I'm happy to discuss any alternatives with you, if this doesn't work!

Why do you charge what you do?

There is a lot of work that goes into capturing and delivering your special moments. It's not just posing you, taking a photo, and fixing some lighting. I try my hardest to not only give you a comfortable and exciting experience, but I run through the finished product more times than I can count. Catching fly aways, a piece of trash, or maybe your skin is a tad red. Bottom line is, I pour my heart into your photos and I trust for the price you pay, you can see that.

Let's Get Started!

After browsing through this guide I hope you've decided to work with me, and I hope you found the package that fits you best.

all my love,

Katelyn Lipham
